President of the Graduate History Society, University of North Carolina at Chapel Hill, 1999-2000.

Class Representative to the Undergraduate Program Committee of the Department of History, Princeton University, 1995-1996.

TEACHING EXPERIENCE:

AT THE UNIVERSITY OF IOWA:

History of Cuba.

Lecture course on Medicine and Public Health in Latin America.

History Methods Colloquium on Disease Public Health and Empire.

Introduction to the History Major: Disease and Power.

Graduate Readings Course on Medicine and Science in Latin America.

Graduate Readings Course in the History of Latin America.

Graduate Readings Course on Global History of Science, Race, and Medicine.

AT OTHER INSTITUTIONS:

Yale University:

- Lecture course on Medicine and Public Health in Latin America.
- Junior Seminar on Methods and Literature in the History of Science and Medicine.
- Junior Seminar on Disease, Public Health, and Empire.
- Graduate Seminar on Disease and Medicine in the Caribbean.
- Graduate Seminar on Medicine and Science in Latin America.
- Lecture on the History of Nutrition for First Year Medical Students.

Southern Illinois University Carbondale Department of History:

- Twentieth and Twenty-First Century World History.
- Colonial Latin America.
- Latin America Since Independence.
- History of Cuba.
- Continuity and Change in Latin America.
- U.S. Interventions in the Caribbean.
- Historical Research and Writing for Majors.
- Senior Seminar (results in capstone research paper): Topic: Disease and Power.
- Graduate Colloquium: Latin America and the United States.
- Graduate Readings on Gender in Latin America.
- Graduate Readings on Race in Latin America and the United States.
- Graduate Readings on Race and Revolutions in the Atlantic.
- Graduate Readings on Public Health in the Americas.

Bates College Department of History:

- Latin American History: From the Conquest to the Present.
- Disease, Public Health, and Empire.

Old Dominion University, Department of History:

- Latin America in World Setting. History of Cuba.
- Democracy and Development in Latin America.

University of North Carolina at Chapel Hill, Department of History:

- Teaching Assistant, The World Since 1945.

University of North Carolina at Chapel Hill, International Studies Program:

- Language Across Curriculum Instructor for Global Issues (Cross-listed in History, International Studies, Anthropology, and Political Science).

LANGUAGES:

Spanish: read, spoken, and written; native proficiency.

French: read, spoken, and written; fluent.

(Updated October 2019)
